

Curriculum Vitae of Prof. Dr. rer. nat. habil. Herbert Frank

24/12/1932 born in Hirschberg/Saale, Germany.

1939 – 1947 Elementary School.

01/08/1947 – 23/08/1949 Completed vocational training as Furniture Maker in Dobareuth/Hirschberg.

01/10/1949 – June 1952 Arbeiter- und Bauernfakultät (Workers' and Peasants' Faculty) of Friedrich Schiller University in Jena, Germany – High School Diploma.

September 1952 – June 1957 Studies at State University of Leningrad (today: St. Petersburg, Russia), Mathematical-Mechanical Faculty – Diploma as Mathematician and High School Teacher (with distinction).

August 1957 – August 1959 Scientific Assistant at the Institute of Mathematics of University of Greifswald, Germany (Chair of Prof. W. Rinow).

September 1959 – November 1962 Research Assistantship at State University of Leningrad (today: St. Petersburg, Russia), Mathematical-Mechanical Faculty, Department of Geometry (Chair of Prof. A. D. Alexandrov). 18/10/1962 Graduation as Candidate of physical-mathematical sciences (transferred into Dr. rer. nat. in Germany), title of thesis: "Some differential geometry questions in spaces of constant curvature".

1963 – 1967 Research Habilitation Assistantship at I. Mathematical Institute of the Mathematical-Scientific Faculty of Humboldt University Berlin, Germany, Department Geometry (Chair of Prof. H. Reichardt). 10/01/1967 Graduation (Habilitation) as Dr. rer. nat. habil. , title of thesis: "Congruence theorems for some surfaces with areas of negative curvature".

01/05/1967 University Lecturer of mathematics at Mathematical-Scientific Faculty of Humboldt University Berlin, Germany.

27/06/1970 Graduation as „doctor scientiae naturalion“ for his outstanding scientific capability in the research area of geometry and for his successful work as a leader of research groups.

01/09/1968 Appointment as Professor with teaching assignment in the subject area School Mathematics at Humboldt University Berlin, Germany.

01/09/1969 Appointment as Full Professor of Theoretical Mathematics (Geometry) at Humboldt University Berlin, Germany.

April 1969 – Februar 1990 Dean of Sektion Mathematik (Faculty of Mathematics) at Humboldt University Berlin, Germany.

18/06/1991 Termination Agreement with Humboldt University Berlin (in mutual agreement), last working day 30/09/1991.

11/09/2023 deceased in Berlin.
